RE: Notification of Subscriber Transfer, CC Docket No. 00-257

Dear Ms. Dortch:

Pursuant to Section 64.1120(e) of the Commission's Rules, 47 C.F.R. § 64.1120(e), this letter provides notification of the transfer of certain Colorado local exchange subscribers of Inspiren Communications, Inc. to Qwest Corporation and Qwest Long Distance Corporation, collectively known as Qwest.

Qwest will provide advance notice that it will become the new provider of certain Colorado local, interLATA and intraLATA telecommunications services to Inspiren Communications, Inc. customers unless they select another provider. Notice letters were sent on December 13, 2004,¹ with the actual transition of customers to take place no sooner than 30 days from the date of the letter. The transfer of customers is expected to occur between January 12, 2005 and February 11, 2005.

A sample of the notification letter is attached hereto. Qwest certifies that it has provided advance subscriber notice in accordance with Section 64.1120(e)(3), 47 C.F.R. § 64.1120(e)(3), and that it will comply with the obligations specified in that notice and other statutory and Commission requirements that apply to the streamlined carrier change process.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

/s/ Diana DeCorte

¹ Subsequently, Qwest realized that the notice letters contained a typographical error (see the attachment hereto). The letters indicated that Qwest would become the customers' service provider on or about January 12, 2004. Qwest plans to correct the notice letters (so as to note on or about January 12, 2005) and re-transmit them to these customers within the next couple of business days.

**INSPIREN COMMUNICATIONS, INC. IS CEASING TO PROVIDE LOCAL AND
LONG-DISTANCE TELEPHONE SERVICE IN COLORADO**

Dear Customer:

Inspiren Communications, Inc. has received approval from the Colorado Public Utilities Commission (PUC) to stop providing you with local telephone service. Due to financial difficulties, Inspiren will cease operating as a telephone company in Colorado within the next 30 to 60 days. You should have recently received a letter from Inspiren explaining your options and informing you that Qwest will become your provider on or about January 12, 2004, if you have not chosen an alternative provider prior to that time and if you do not have any prior unpaid bills to Qwest for regulated services. As part of this arrangement, Qwest will be receiving your account information from Inspiren.

To maintain continuity of your telephone service, the PUC ordered Qwest as the default provider to transfer you from Inspiren to Qwest local and long-distance service (if Inspiren provided your long-distance). If you are currently a customer of a long distance company other than Inspiren, your long distance provider will remain unchanged unless and until you request a change. Even if you are transferred to Qwest as the default provider, you may at any time choose another provider. For your convenience, the PUC and the Office of Consumer Counsel have prepared the attached list of alternative providers from whom you may choose. If you had asked Inspiren for a preferred carrier freeze on your local and/or long distance services, those freezes have been lifted in the transfer process. If you are transferred to Qwest, please contact Qwest at the number below if you would like to institute a new freeze on any of your new service providers, otherwise please contact your new local service provider.

As ordered by the PUC, you will be transferred to Qwest service, at no charge to you, with the same telephone number and, to the extent possible, the same services and features that you have now, except they will be provided under Qwest's terms and conditions and Qwest's rates. A copy of Qwest's price list is enclosed with this letter. Once your service has been transferred, you will receive a Welcome Letter from Qwest, informing you of your new services and features. If you were also an Inspiren long-distance customer, you will be transferred to a similar Qwest long-distance plan. Again, you are free to choose another long-distance provider other than Qwest at any time, and if you have any questions about the services or features identified in your Welcome Letter, please call Qwest at the 800 number listed below.

Depending on your credit history, Qwest may charge you a deposit. **Please note:** if you owe Qwest a previous bill for local telephone service, before Qwest will transfer your account, you must either pay Qwest what is owed, make acceptable payment arrangements, or choose another provider to ensure your service is continued without disruption.

You may call Qwest at 800-244-1111 to discuss a previous Qwest residential bill, choose another long-distance carrier, or for any other questions you might have including questions about Qwest's rates, terms and conditions for service. For a previous Qwest business bill, or to choose another business long-distance carrier, or for any other business service questions you might have, you may call Qwest at 800-603-6000.

Please be assured that your transfer to Qwest service, as ordered by the PUC, in no way prevents you from choosing a different local or long-distance provider at any time. If you have any questions or complaints regarding your service with Inspiren, please either call Inspiren directly, or the Colorado Public Utilities Commission at 303-894-2070 or if outside of the Denver metro area at 1-800-456-0858.
